

Achievement Centers for Children

Adapted Sports Program Sponsorship

The Achievement Centers for Children, in partnership with the Cleveland Browns, Cleveland Cavaliers, and the Cuyahoga County Board of Developmental Disabilities, provides sports opportunities for children and young adults with special needs. Our year-round programs which include football, baseball, basketball and soccer are adapted to the individuals' skill levels. All the programs promote learning, teamwork, self-confidence, friendship and fun. We are looking for sponsors this year to help us continue providing these important sports opportunities to enrich the lives of children and young adults with special needs, and their families.

As a sponsor, you and your company can make a difference in our community and with children with disabilities, while gaining visibility as a supporting business. Support through sponsorship helps cover the cost of new equipment, scholarships, transportation, field rentals, game referees, expansion and other expenses. All sponsorships include recognition for your business at various levels of commitment. Please consider supporting the Achievement Centers for Children's Adapted Sports Programs.
